

Pace of Play

The pace of play suggestions below can help prevent slow play.

1. Plan your shot as you are walking to your ball or while others are playing.
2. Be ready to play when it is your turn.
3. Walk briskly between your shots.
4. Walk directly to your golf ball; don't follow others, unless assisting in a search.
5. If riding, take several clubs with you to your ball, so you won't have to walk back to your bag.
6. Don't step off or measure yardage for every single shot, develop an "eye" for distance.
7. Be efficient with pre-shot routines.
8. Take only one practice swing.
9. Play a provisional ball if you think the original might be lost or out of bounds.
10. Line up your putt while others are putting and be ready to play when it is your turn.
11. Leave your bag(or cart) on the side of the putting green towards the next tee.
12. Exit putting green promptly after holing out.
13. Unless experienced, play the standard tees.
